

# Why do people join the SCEA?

*Here are just a few reasons:*

- The SCEA, along with Education Minnesota, the National Education Association, and the American Federation of Teachers, work to strengthen public support for your profession.
- Your membership in the SCEA provides you with \$1 million dollars in liability insurance through NEA.
- Our full-time president is available so that you receive quick, confidential advice, support, representation, and answers to your job-related questions and concerns.
- We keep you up-to-date with local, state and national communication, newsletters, and publications.
- The SCEA makes it easier for you to become involved in determining the future of education in our district, state, and nation.
